**To the recommender:**

The above-named student is applying to an NSF-sponsored Research Experiences for Undergraduates program to be held at Ithaca College during the summer of 2008. In addition to completing this form, we would appreciate your comments about the student's ability to contribute to an undergraduate research project and to work with other students and faculty on the project. You may use the back of this form for these remarks, or you may attach a letter.

One of the goals of the REU program is to give the student participants a chance to present their work. As a faculty member at the student's home institution would you be willing to help arrange for the student to present his/her work at your institution during the 2008/2009 academic year? Yes:\_\_\_\_\_ No:\_\_\_\_\_

If yes, please list possible venue:
